

QUICKIE®

QXi

Design innovation, durability, and adjustability
in one chair?

Quickie QXi: the lightweight value package

Live Without Limits

The Quickie QXi is a durable, lightweight folding wheelchair with quick and intuitive adjustments at an outstanding value. Designed for longer term use by the semi active or active user.

Adjustable Axle

Low Profile, Single Post Armrest

Three-Arm Crossbrace

Quick and Intuitive Adjustments - Design innovation

Time is precious, so we developed & designed the chair adjustments to be made in less than one minute using only one tool

- Center of Gravity
- Seat to Floor Height
- Camber
- Axle Spacing
- Back Height

Simple Option Mix

- Options include the most frequently used armrests, wheels, tires, and seat widths and depths
- New Swing-in/Swing-out Hangers with simple footrest adjustments and intuitive release levers
- Transit option

Durable Frame Design

- Ultra lightweight and durable aluminum frame with a 120 kg weight capacity
- Three arm cross brace that sits inside frame for a more rigid ride
